Rum: made with molasses from Barbados, this is a white rum, meaning it is not aged in oak.

Our Story

Our namesake, the Next Chapter Bookstore, was owned and operated by Therese Dotray-Tulloch for 11 years in Montgomery.

Her husband Timothy & daughter Jackie planted the vineyard together in 2007, proceeding to become a licensed winery in 2011 using walls of barrels to age our wines. Jackie officially joined the winery in 2014 when she opened up the Barrel Room for tastings. We hosted our first wedding in 2015, now celebrating between 50-60 weddings each year. The 1910-era Red Barn was renovated in 2016 to use as a restaurant & tasting room. Jackie's husband Jeff joined the team in 2019 as the Vineyard and Winery Manager. Our family is thrilled to have you here!
