We love to celebrate weddings here at Next Chapter Winery in the Barrel Room, Pavilion, and Vineyard Atrium. We would be honored to host the beginning of your next chapter!

## Our Story

Our namesake, the Next Chapter Bookstore, was owned and operated by Therese Dotray-Tulloch for 11 years in Montgomery.

Her husband Timothy & daughter Jackie planted the vineyard together in 2007, proceeding to become a licensed winery in 2011 using walls of barrels to age our wines. Jackie officially joined the winery three years later when she opened up the Barrel Room for tastings. We hosted our first wedding in 2015, now celebrating between 50-60 weddings each year. The 1910-era Red Barn was renovated in 2016 to use as a tasting room and event venue. Jackie's husband Jeff joined the team in 2019 as the Vineyard and Winery Manager, crafting wines and spirits in the Barrel Room, which you're hopefully enjoying now! Thank you for visiting and being a part of our story. Cheers to life's Next Chapter; we hope you can relax, sip, and savor the moment.
